TEDD WOOD
FINE CABINETRY

manufactured in the
heart of rural Pennsylvania
with old Dutch

craftsmanship

Nestled in the heart of rural Pennsylvania, Tedd Wood Fine Cabinetry combines old Dutch craftsmanship with new technology in the production of our three lines of cabinetry.

All Tedd Wood cabinetry is constructed with the finest raw materials and hand sanded by our skilled and experienced craftsmen with decades of detailed experience and an eye on quality, giving you some of the most solid, durable, and desirable cabinets in the industry.

We offer a wide variety of colors and finishes in our catalyzed conversion varnishes. Whether standard stains and paints or select custom-made colors from our Sherwin Williams fan deck, your cabinet will be given the perfect look. You can even match your favorite family heirloom. Distressing and antiquing help create one-of-a-kind cabinetry that matches your personal style.

accessories

Put the finishing touch on your kitchen with a wide range of accessories that make life easier and minimize clutter by creating a space for everything.

Pullout organizers and specialty corner cabinets are the perfect way to enhance your workspace. Pullout cutting boards, rollout shelves, and filler pullouts keep all your cooking supplies at your fingertips.

hidden conveniences

Tedd Wood's imagination doesn't stop at doors and neither should yours. Make a place for all your small appliances, a hidden liquor cabinet, or a perfectly organized storage container drawer. The days of digging, searching, and Tupperware avalanches are gone forever! Imagine all the hidden conveniences that could be found behind the doors of your kitchen.

Minimize clutter and create an environment that lends itself to maintaining order. Utensil pullouts and K-Cup® organizers make finding what you need fast. Drawer peg systems keep everything in their place.
